

# THE PTERANODON

## Members only event: Sternberg Museum Happy

Museum members\* are invited to join Sternberg staff at the Museum for beers, conversation, and behind the scenes tours of our paleontology and zoology research collections.

Come learn about current research going on at the Museum and discover why research collections are so important to the advancement of science. Also, enjoy sharing some beers with Sternberg Museum staff along the way!

Exclusive members\* only event on December 12 from 7:00pm to 9:00pm.

Guided tours of the Paleontology Research Collection and the Zoology Research Collection will be available.

Open to members 21 years of age and older.

This is a free event.

\*Not a Museum member? You can sign up for a membership at the front desk of the Museum anytime we are open! We will also have registration materials available at the event!

# Holiday Shopping at Excavations Gift Shop

Excavations is always a great destination for unique, science related items. The holidays are just around the corner, and for the people who are hard to buy for or who already have everything Excavations Gift Shop is a great place to shop. We have gifts for all ages. Next time you are exploring our galleries be sure to stop in and grab some stocking stuffers or just mark another item off of the holiday shopping list.

## New iPads in Discovery Room

The Discovery Room has unveiled it's newest addition: iPads! Youth can play and learn through science based games and interactive learning apps. Be sure to come check them out on your next visit to the Museum.

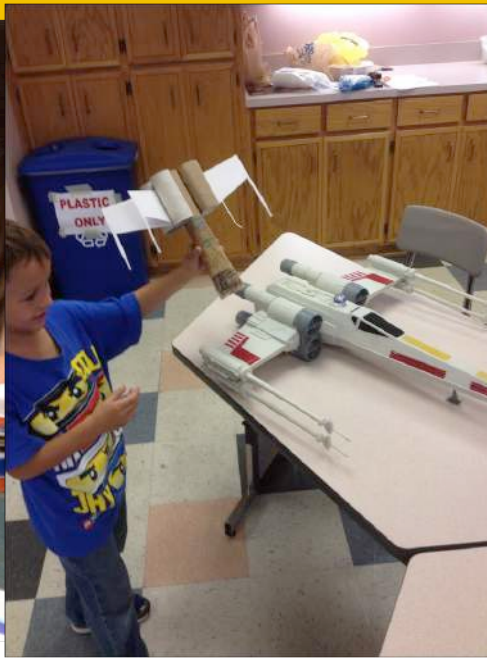

# Discovery Under the Dome...

Adventure Opportunities in December

## Friday Night at the Museum

Friday Night at the Museum will not be held in December due to the holidays. Watch for information about the next one in 2015!

## After School Activities

After school activities are continuing through the month of December. Adventures & Activities will be held on Tuesdays from 3:30-5:00 for students K-3. Junior Science Explorers will be held on Thursdays from 3:30-5:00 for students grades 4-5. Please register a week in advance! During December we will be studying how "Science comes alive at the Museum". These activities will include programs that include science used at the Sternberg Museum.
