

THE PTERANODON

Surfing Ancient Shorelines: First Animals on Land

We are pleased to announce that the Sternberg Museum will be hosting Dr. James Hagadorn from the Denver Museum of Nature & Science on Tuesday March 3rd! Dr. Hagadorn will be giving a guest lecture on the first animals that colonized land. All are welcome to join us at 7pm for this free lecture open to the public!

Guest Speaker **Dr. James Hagadorn**
Curator of Geology
Denver Museum of Nature & Science

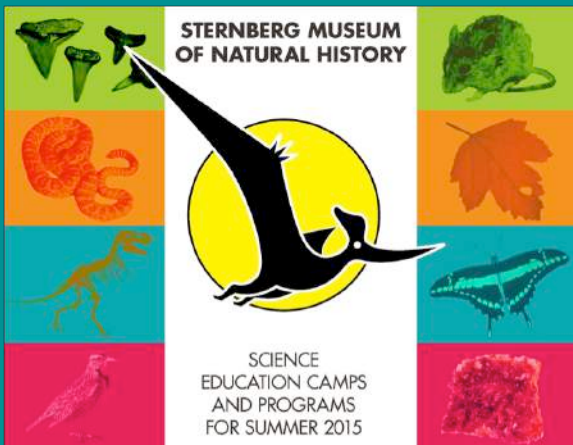

"Surfing Ancient Shorelines: First Animals on Land"

Tuesday March 3rd, 7:00 pm

2015 Summer Camp Registration is Open

The second year of Sternberg science camps is drawing near! We are excited to unveil an entirely new catalog with some new camps being offered as well as bringing back some of the favorites from last year. We are now accepting registrations for all of the camps so be sure to get your camper registered before they start filling up. To check out the camps catalog, go to <http://sternberg.fhsu.edu/wp/wp-content/uploads/2015-Sternberg-Science-Camps-catalog.pdf>. The catalog is best viewed in a browser other than Firefox.

For questions regarding camps or registration call David Levering at 785-628-5502.

Sternberg Outbound: Denver

Sternberg Museum Outbound is a new science education travel program we are starting at the Sternberg Museum. We have big things planned for our Outbound trips, kicking off with a journey to Denver to learn about fossils, paleontology, and the ages old science of making beer! Yes, the science of making beer! Thousands of years of knowledge about water chemistry, yeast biology and evolution, and botany go into every glass you drink! It's pretty amazing stuff. With behind the scenes tours of the fossil collections at the Sternberg Museum of Natural History and the Denver Museum of Nature and Science, and meetings with a myriad of professional brewers, this is not a trip to be missed!

This trip is for individuals 21 and older. No exceptions. All participants must have a valid photo ID with proof of age.

Check out the full itinerary for this trip at <https://travefy.com/trips/67994/2065981806>.

For more information contact David Levering, education director, at 785-628-5502 or dalevering@fhsu.edu.

Sternberg Outbound: Oregon

Coming this summer to Sternberg Outbound is Oregon! Adults are invited to join Sternberg Staff on a trip to Oregon from July 28 to August 7. Beginning in Portland travelers will see Mount Hood, experience some of the paleontology that Eastern Oregon has to offer, see Crater Lake, look for fossils, visit tide pools and aquariums and many other natural history resources. Stay tuned for a full itinerary for this trip, and contact David Levering at 785-628-5502 for your information on Outbound: Oregon.

Discovery Under the Dome...

Adventure Opportunities in March

After School Activities

After school activities are continuing through the month of March. Adventures & Activities are held on Tuesdays from 3:30-5:00 for students K-3. Junior Science Explorers are held on Thursdays from 3:30-5:00 for students grades 4-5. Please register a week in advance! The theme for this month's after school activities is "Under the Sea." Registration for these events is now available online at <http://goo.gl/forms/yUUe10Daz0!>

Adventures & Activities

After school activities for students in grades K-3. These activities are held Tuesday afternoons from 3:30 to 5:30 PM.

March Dates for Adventures & Activities:

March 3, 2015

March 10, 2015

March 17, 2015

March 24, 2015

March 31, 2015
