

Beginning Beekeeping Class

at the

Sternberg Museum of Natural History

3000 Sternberg Drive, Hays, KS 67601

February 18 – 19 and 25 – 26, 2017

2:00 – 4:00 p.m.

\$10.00 registration fee, \$5.00 for Sternberg Museum Members

Course will be taught in two part intervals, parts 1 on Saturdays and part 2 on Sundays. You do not need to take each part in order – (example, if you can make Sunday Feb. 19, but not Saturday Feb. 18, you can participate in part 1 the following weekend). The course will be held at the Sternberg Museum in the Engel Education Classroom on the 3rd floor.

The course is basic in nature, with a reasonable amount of details to get you a good understanding of getting started with keeping bees in central/western Kansas.

We will discuss:

- | | |
|--|---|
| 1. Beekeeping tools and equipment | 6. Progressing with the hive from late winter/early spring through fall |
| 2. Hive components | 7. Hobby and business opportunities |
| 3. Locating your hives | 8. Membership in State and local bee associations |
| 4. Installing bees and inspecting their progress | |
| 5. Basic pest management | |

We will not discuss:

1. Top Bar Hive management
2. Warre Hive management
3. Honey Flow Hive
